Brooke Wyeth returns home to Palm Springs after a six-year absence to celebrate Christmas with her parents, her brother, and her aunt. Brooke announces that she is about to publish a memoir dredging up a pivotal and tragic event in the family's history – a wound they don't want reopened. In effect, she draws a line in the sand and dares them all to cross it. A provocative portrait of a family in conflict, each member looking for acceptance, love and forgiveness.
