All I Really Need to Know I Learned in Kindergarten
By Robert Fulghum **Jul 6-22, 2018**

Directed by Priscilla Gonzalez

Based on Robert Fulghum's best-selling books, *Kindergarten* takes a funny, insightful, and heart-warming look at what is profound in our everyday life. This tightly woven adaptation has earned standing ovations from Singapore to Prague— from L.A. to D.C. The delightful stories feature colorful characters to celebrate our very existence -- from the whimsy of childhood to the wisdom of old age. A must-see for all ages!

***Disney's Alice in Wonderland Jr** **July 27-29, 2018**
Directed by Maria O'Connor and Priscilla Gonzalez

Lewis Carroll's famous heroine comes to life in a delightful adaptation of the classic Disney film, performed by WCP's own student performers.

Dial "M" for Murder **September 7-23, 2018**
By Frederick Knott **Directed by Bob May**

Tony married Margot for her money and now plans to murder her for the same reason. To accomplish this, he arranges the perfect murder. He blackmails a scoundrel he used to know to do the dirty deed for a fee. Find out who else get murdered -- you'll be surprised!

The Jury Room **November 2-18, 2018**

By C. B. Guilford **Directed by Jim Katapodis**

Twelve jurors gather to decide the fate of a young girl. Did she stab her uncle in cold blood? Eleven jurors say yes; one, a student actress, says no. The jurors agree to her request to re-enact the crime right there. Props are brought in - including the actual murder weapon. The actress becomes the accused, the foreman takes the part of the murdered man. As the re-enactment proceeds, the verdict, the solution, and the climax all come together with an unexpected twist.

The Long Weekend **January 11-27, 2019**

By Norm Foster **Directed by Chris Coleman**

The truth and lies of a friendship come to the surface -- along with plenty of surprises -- in this comedy of manners when Max and Wynn invite their friends Roger and Abby up for a weekend at their country home. These couples are old friends; the kind with plenty of troublesome baggage. Fresh, funny, and very well written.

Old Acquaintance **March 8-24, 2019**

By John van Druten **Directed by Brandon Ferruccio**

Another Hollywood classic that tackles the boundaries of friendship and the true meaning behind the word *frenemy*. This dramedy is about two childhood best friends who, as adults, are now dealing with success and love in their own terms. Both become well-known authors, but when they get a chance to reunite, their simmering professional rivalry tests their manners and friendship. A runaway 1943 hit, starring Bette Davis. A true classic worth re-visiting!

***March Magic** **March 29-30, 2019**

By Ring 96 of Seal Beach

Join Cliff Gertsman & his friends from this magic club, who also perform at the Magic Castle in Hollywood.

TBA after 6/1/2018 **May 10-June 1, 2019**

By Rodgers & Hammerstein **Directed by: Trish Miller**

Due to licensing restrictions, the title cannot be released until after June 1. Suffice it to say the plot of this romantic musical centers around an American nurse stationed on a certain island during WW II, and meets the man of her dreams some enchanted evening.
